Subject: FW: Letter regarding Class V Application

Hi Lucita –

We received this formal request from Powertech today for a partial withdrawal of their permit application. Douglas had forwarded your thoughts on a response to me already – thanks for that recommendation. We will reach out to you next week to work on a response to this request, and Valois will be working on removing references to Class I in the other permits and related docs.

Thanks!

Sarah E. Bahrman | Director, Safe Drinking Water Program | U.S. Environmental Protection Agency - Region 8
